World Assembly of Muslim Youth (WAMY)  
Riyadh, Saudi Arabia

We, have sown Justice in the world  
 So reap & spread amongst the people «Allahu Akbar»  
     Ask if you still don't know who  
     Muslims! Muslims! Muslims!

Ask History what it knows of us :  
 who protected the rights of the oppressed which were lost?  
 And who built for science loftier castles?  
 And who established together religion and worldly life?  
     So ask it .. And it will reply: The Muslims  
     Muslims! Muslims! Muslims!

We, with Imaan have enlivened hearts  
 And with Islaam have liberated nations  
 We with Qur'aan have corrected defects  
 And have spread out northwards and south-  
 wards  
     Spreading light and wiping out disgrace  
     Muslims! Muslims! Muslims!

We with Qur'aan have lit up life  
 And with tauheed have raised up foreheads  
 We with sharpened swords have straightened tyrants  
 And are callers to Truth and guardians of it  
     That is our history, O You Questioners  
     Muslims! Muslims! Muslims!

O my brother in India or Morocco  
 I am from you and you are from me; you are with me  
 Don't ask about my race or lineage  
 Really it is Al-Islaam — it alone is my mother and my father  
     A brotherhood are we and by it we are joined  
     Muslims! Muslims! Muslims!

O Muslim brother in every place  
 Come let us free the chains for the time has come

Climb the hill and call out the Azaan  
 Raise the Qur'aan as the constitution of our time  
     And fill the horizons with: We are Muslims  
     Muslims! Muslims! Muslims!

Come let's repeat the era of the Rightly-guided  
 Come let's reach the grandeur of our conquering forefathers  
 People are complaining of life without a deen  
 So let us restore it as a mercy to all  
     And don't say...How? For we are Muslims  
     Muslims! Muslims! Muslims!

### 6 - 9 - 3 Youth of the True (Religion)

Youth of the True Deen are the guided youth  
 Come! Come to a final decision : —  
 The Prophet has called out and so has the Qur'an  
 So blessed is the servant who responds when he is called  
     To Allah we supplicate and to Him is the Return

To Allah Alone the Lord of creation  
 To the Deen after which there's none  
 To the Chosen (Prophet) whose era we contemplate  
     To the Truth whose love we ask for  
     To the Most Holy and Sacred we ask for repen-  
     tance

Here is Madinah and here is Makkah  
 Here is the Deen that cares and here is honor  
 Here is purity, eminence and virtuosity  
 Here is strength, resoluteness and invincibility  
     So where, where else do we need to go ?!

Bring back the glory to its lions  
 And restore the zeal to its soldiers  
 Flatten evil in its cradle

And unsheath the swords

And don't be concerned here with difficulties

Ask the kuffaar: who repelled their tyrants?

And ask the mushrikeen: who terrified their supporters?

Ask the world: who shook its monarchs?

And ask truth who preserved its authority?

You will find in Badr enough for an answer!

Ask Uhud and ask Khaibar

Ask the blood which reddened the face of the earth

Ask King Kisra and ask Caesar

Ask Truth, for over them both it was all-conquering

Ask the Desert: how many secrets has it uncovered?!

Ask Ignorance : who has toppled it on this Earth?

And ask oppression: who has disciplined it on this planet?

Ask the East of this Dominion (Muslim Empire) or its West

And ask glorious Baghdad or Cordoba

You will see that your Dominion is far above the clouds!

Alas, we have forgotten our position here (now)

And we've abandoned the shariah and our role

Error has built in our territory whatever it has

And it has built nothing but weakness and ruin

And we nurture nothing but desires and falsehoods!

Hail! Hail! O sacrificing soldiers!

To us! To us! So we may defend the flag

On this Day of Jihad, are you miserly with your blood?!

And has life become dearer to you? And staying behind sweeter?

Is staying in this world of torment more pleasing to us?

You are amongst those called upon by Destiny

Come! So we may revive the times of our predecessors

And establish Truth amongst the successors

Come! Allah forgives that which has passed

For Allah never abandons one who supplicates and repents!
